EXPLANATION OF TENDER DOCUMENTATION NO. 2

for tender for supplies

named

**„Center for the development of
carbon canisters specification EURO
7 - Sealed chamber for measuring
hydrocarbon emissions“**

The Contracting Authority provides the following explanation of the tender documents relating to the above mentioned tender.

The wording of the request for explanation of tender documentation No. 1:

We suppose that the price (in chapter 4) stated in tender specification is only expected and the quotation will not be excluded in case of overrun.

The wording of the explanation of tender documentation No. 1:

Yes, the offer will not be excluded if the expected price is exceeded.

The wording of the request for explanation of tender documentation No. 2:

Is it acceptable to change the penalty to 0.5% per week with a limitation on 5% of order value?

The wording of the explanation of tender documentation No. 2:

No, it is not possible.

The wording of the request for explanation of tender documentation No. 3:

Is it possible to accept the delivery time in max. 44 weeks?

The wording of the explanation of tender documentation No. 3:

No, it is not possible.

The wording of the request for explanation of tender documentation No. 4:

You're asking for „bid cover sheet“ and „a draft of contract“, but there are no templates of them, should we suggest ours or you'll add them to have same for each participant (mainly „bid cover sheet“)?

The wording of the explanation of tender documentation No. 4:

The Supplier shall submit their draft contract as part of their bid, which shall be in accordance with point 6. of the tender documentation. The Supplier (tender participant) shall therefore transfer the required contractual provisions to their draft contract.

As part of this Explanation of tender documentation no. 2, the contracting authority provides a template of Cover sheet, which can be used by tender participants in order to compile their bids.

The wording of the request for explanation of tender documentation No. 5:

The tender documentation states that the tender must include a cover sheet and a draft contract. Are there templates of these documents available, or should the supplier formulate all the commercial terms in the contract himself? Samples of these documents are not available on the web.

The wording of the explanation of tender documentation No. 5:

Similar answer with explanation was stated above (No. 4).

Information on the extension of the deadline for submission of bids

The contracting authority extends the deadline for submission of bids until 22. 6. 2021 until 10:00. The place for submission of bids remains unchanged. The envelopes with bids will be opened on **22. 6. 2021 at 10:05**.
