

The diagram shows a detailed architectural floor plan of the Porcino Terras house. The plan includes several rooms and outdoor areas, each labeled with its name in Italian. At the top left is the "giardino all'inglese" (English garden), which is adjacent to the "zooletto sfinctura" (fence). To the right of the garden is the "dormitorio no letto" (bedroom without bed) and another "zooletto sfinctura". Below the garden is the "dormitorio padella" (pan-fry bedroom). In the center is a large living area containing a "soffitta" (loft) and a "kitchen" (labeled "cucina"). To the right of the kitchen is a bathroom ("bagno") and a "stanza" (room). Further right is a "stanza di servizio" (service room) and a "stanza di stoffa" (fabric room). The plan also shows various doors, windows, and a small square feature in the central hallway.
