

Technical drawing of a staircase section (Sch. 2) showing two flights. The drawing includes dimensions for risers, treads, and overall heights, as well as elevation markers.

**Dimensions and Elevations:**

- Left Flight (Upward):**
  - Riser: 158.7
  - Tread: 287.5
  - Overall height from  $\pm 0,000$  to landing: +2,217
  - Landing width: 10
- Right Flight (Downward):**
  - Riser: 163.9
  - Tread: 287.5
  - Overall height from  $\pm 0,000$  to landing: +5,120
  - Landing width: 10
- Bottom Section (Downward):**
  - Riser: 157.8
  - Tread: 287.5
  - Overall height from  $\pm 0,000$  to landing: +0,789
  - Landing width: 5
- Top Section (Upward):**
  - Riser: 163.9
  - Tread: 287.5
  - Overall height from  $\pm 0,000$  to landing: +6,450
  - Landing width: 5
- Overall Dimensions:**
  - Vertical distance between  $\pm 0,000$  and  $-0,200$ : 589
  - Vertical distance between  $\pm 0,000$  and top landing: 1228
  - Vertical distance between  $\pm 0,000$  and bottom landing: 200
  - Vertical distance between  $\pm 0,000$  and top landing: 2703
  - Vertical distance between  $\pm 0,000$  and bottom landing: 200
  - Vertical distance between  $\pm 0,000$  and top landing: 2750
  - Vertical distance between  $\pm 0,000$  and bottom landing: 200
  - Vertical distance between  $\pm 0,000$  and top landing: 2512
  - Vertical distance between  $\pm 0,000$  and bottom landing: 200
  - Vertical distance between  $\pm 0,000$  and top landing: 200
  - Vertical distance between  $\pm 0,000$  and bottom landing: 200
